

5th Grade by Day

Note to Parents

Typically, RSA operates on a 5 period schedule - 3 academic classes (Enrichment, Math, Science, and Humanities which is ELA and History) and PE. For Distance Learning the District is unifying into a single time schedule of 6 periods per day. This means our traditional RSA schedule needed to be modified. We have included both Enrichment and STEMworks in order to add the additional 2 periods. Those periods will be used for additional instruction, and each grade level team will explain how they are using that time. Also, History is on the schedule as period ____ (will be 7, 8, or 9 per Jeremy) but it is taught in conjunction with Language Arts - we call this class Humanities. This means that students only log in with Mrs. McMorris during the Language Arts time, and the History content is taught then and it is not included in the timetable of our day.
